Single Strength

Wrangler Chili with Beans & Beef

Nothing
to Add,
Just
Cook
and
Serve

Single Strength Wrangler Chili with Beans and Beef is exactly what its name implies: hearty uncompromising chili that is unforgettably delicious and downright satisfying.

We prepared premium dark red kidney beans and great northern beans, along with tomatoes, green chilies, celery, and green peppers and added fine quality cooked beef, tomato paste, just the right blend of spices, onions, garlic and a touch of brown sugar in richly flavored beef

and chicken bases. All you have to do to offer up the big, bold taste of Wrangler Chili with Beans and Beef is cook it and serve it.

Wrangler Chili may be prepared for service using stove top, microwave, steamer or hot water bath methods.
